

Bournemouth Railway Station to/from Jumpers Common, Christchurch Ashley Road Improvements

Introduction of double yellow lines outside No. 145 Denmark Terrace (this would replace the current no waiting restrictions between 8am-7pm)

New toucan crossing near the entrance to Kings Park, improving access between the new facilities in the park and the quieter, low traffic route along Windham Road towards Bournemouth train station and the town centre.

Existing shared path to be widened to improve access to the new toucan crossing and introduction of double vellow lines

Windham Road

Ashley Road Introduction and extension of double yellow lines on Boscombe Grove Road and South Road for approximately 13m

Boscombe Grove Road and South Road to remain one way for motorists, although cyclists will be able to use the road in both directions.

Introduction of double yellow lines on

the inside of South Road next to No.1

South Road for approximately 12m

New toucan crossing to replace the existing school crossing patrol outside Kings Park Academy

Grantham Road

Funded by UK Government

Curton Road

South Road

Boscombe Grove Road

This map is a diagrammatic interpretation of proposals as of September 2023. Not to scale. Existing facilities, including footways and crossings, to be retained unless otherwise indicated. Adjoining roads only indicated as points of reference. Road markings not included.

King's Park

Removal of the toucan crossing outside No. 133 Ashley Road. Double yellow lines will replace the existing zig zag markings

> Bus lay-by to be shortened to accommodate the new toucan crossing

King's Park Academy
