

Poole town centre to/from Ferndown and Wimborne

Sea View Road - Mannings Heath Mini Roundabouts Improvements

Key

- Carriageway
- Footway
- Cycle Track
- Shared Path
- Toucan Crossing
- Uncontrolled Crossing
- Bus Lane
- Revised junction layout including kerb-buildout to improve pedestrian crossing facilities
- Bus Stop Improvements

Existing crossing points to be upgraded to toucan crossing

Dedicated right-turn filter lane on Ringwood Road to be removed but the northbound lane will be widened to accommodate vehicles turning right into Rossmore Road

Improvements to be made to Old Wareham Road Roundabout including wider footways and crossing improvements at all arms

New southbound bus lane to be installed on eastern side of Ringwood Road. Access to/from properties will be maintained

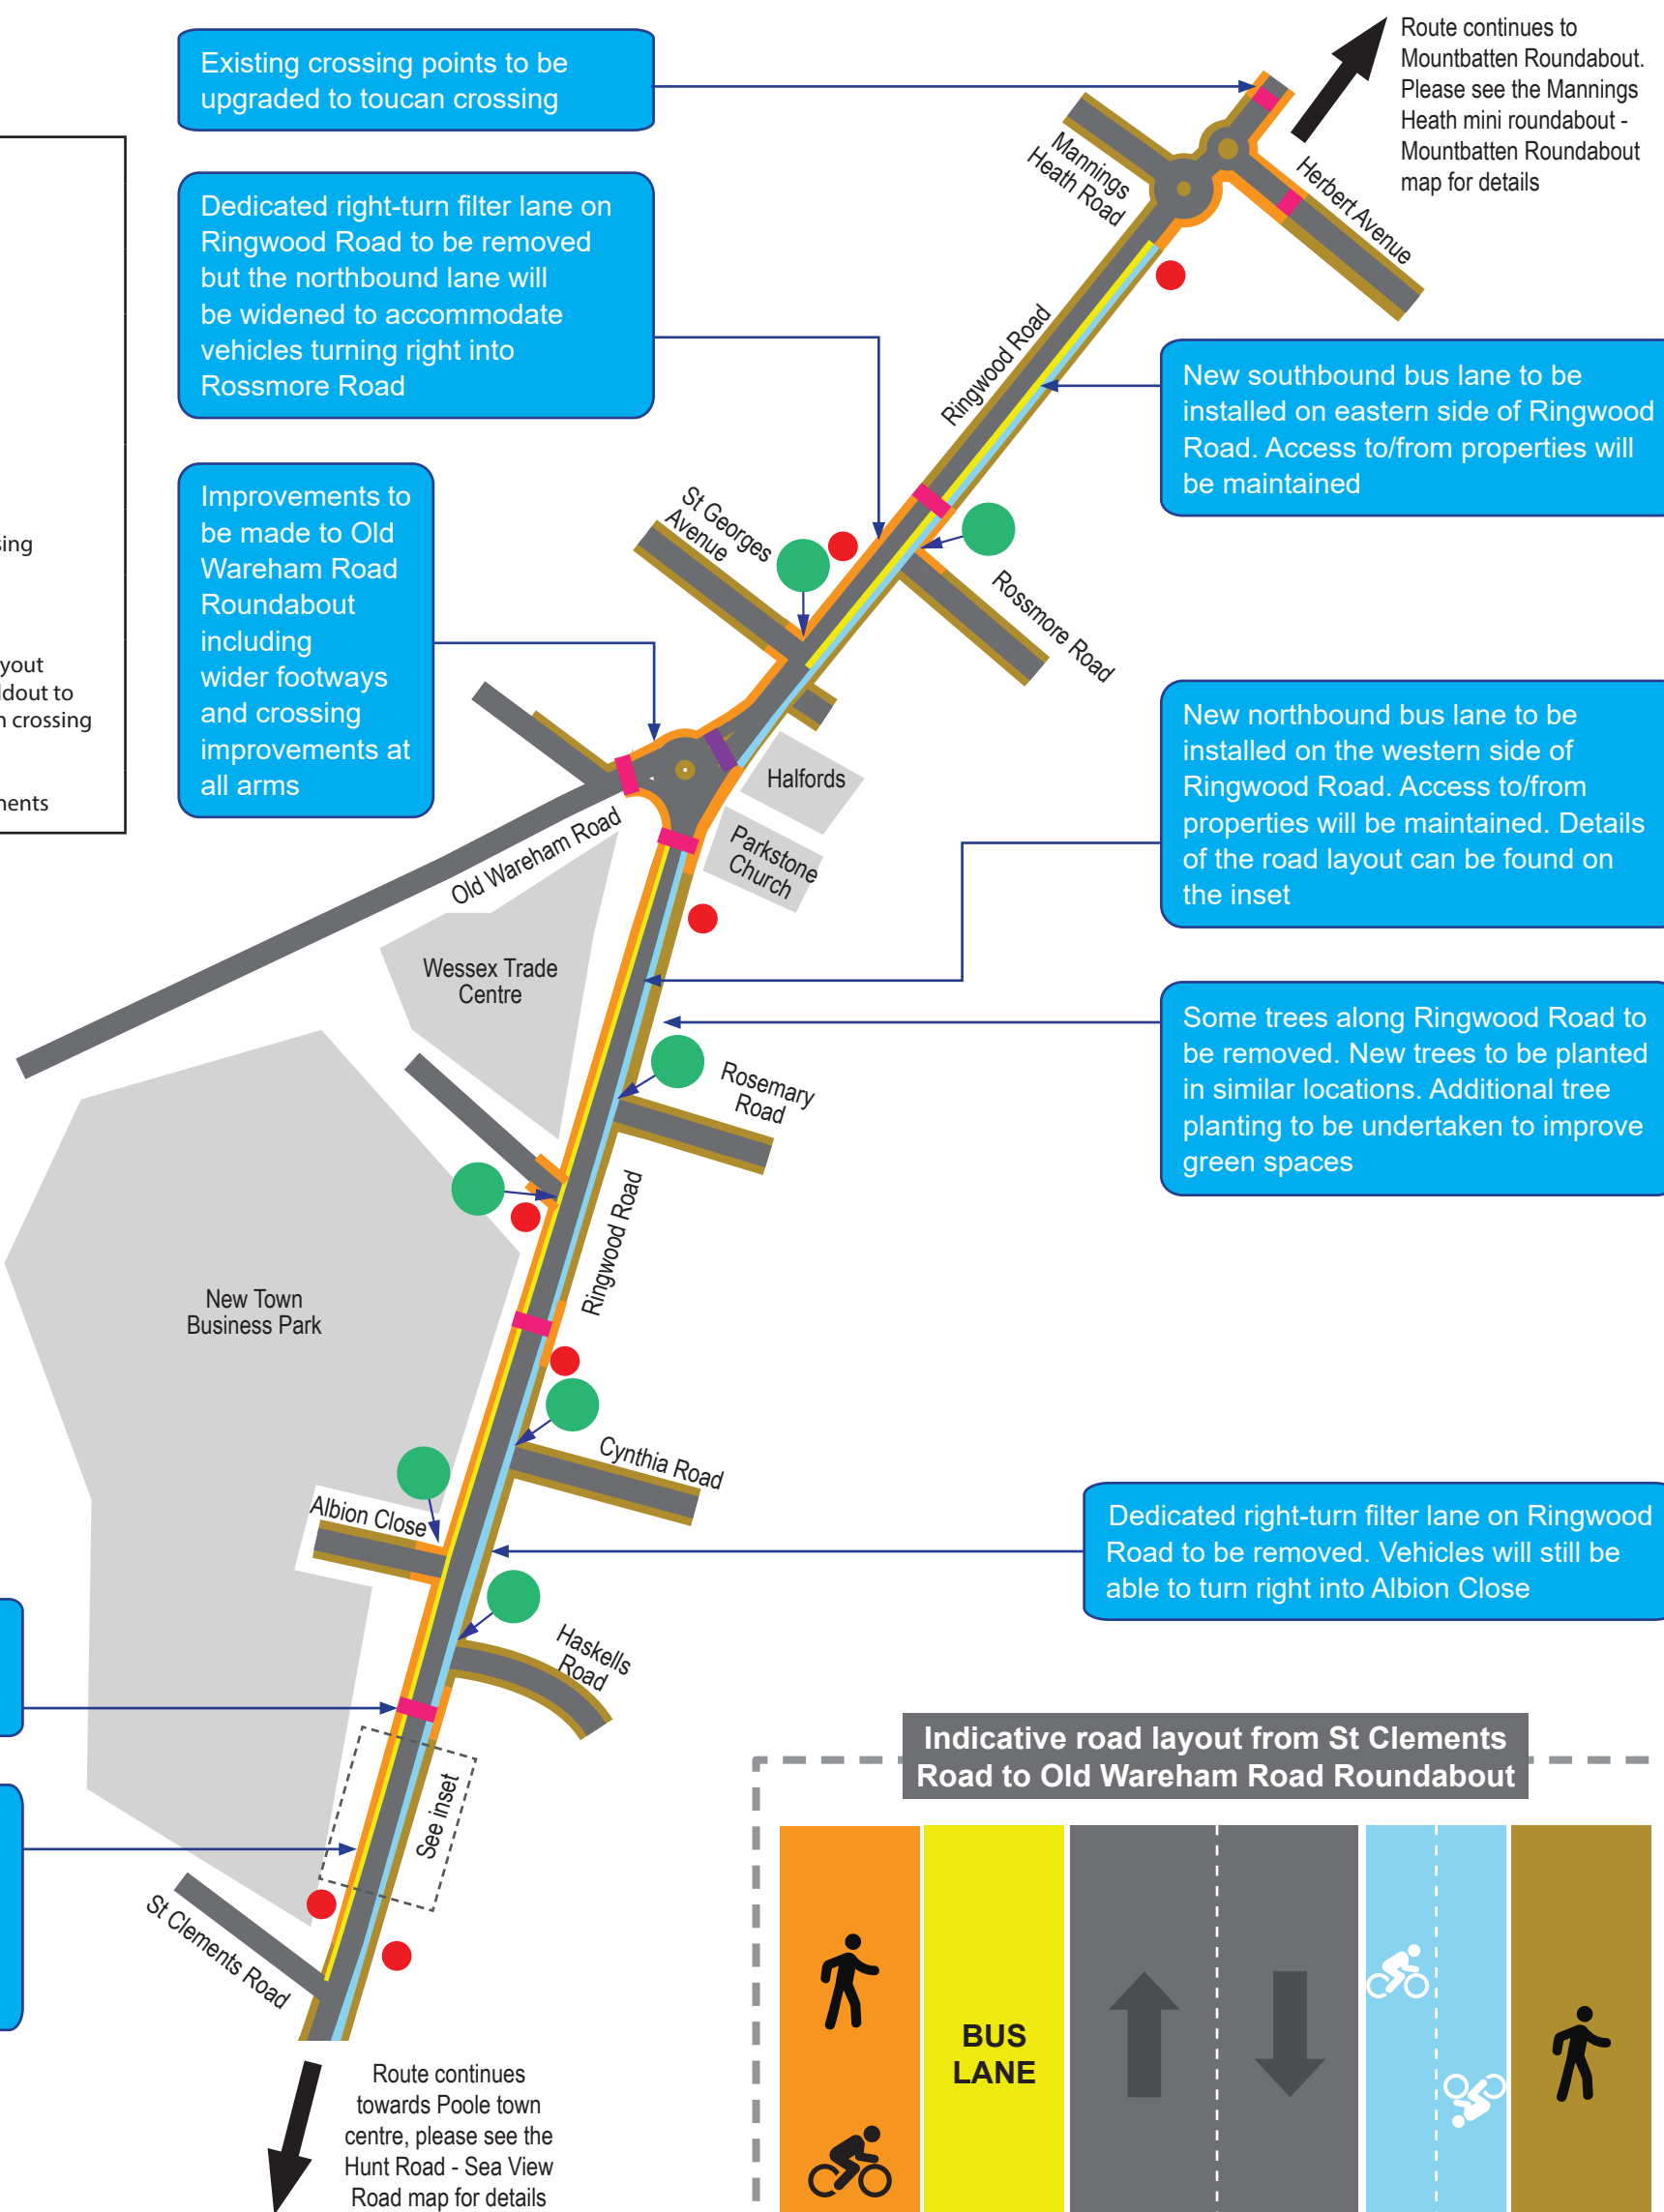

New northbound bus lane to be installed on the western side of Ringwood Road. Access to/from properties will be maintained. Details of the road layout can be found on the inset

Some trees along Ringwood Road to be removed. New trees to be planted in similar locations. Additional tree planting to be undertaken to improve green spaces

Dedicated right-turn filter lane on Ringwood Road to be removed. Vehicles will still be able to turn right into Albion Close

Existing crossing point to be upgraded to toucan crossing

Existing footway on western side of Ringwood Road to be upgraded to shared footpath for both walking and cycling

Route continues to Mountbatten Roundabout. Please see the Mannings Heath mini roundabout - Mountbatten Roundabout map for details

Route continues towards Poole town centre, please see the Hunt Road - Sea View Road map for details
